### MANAGER'S REPORT

It is a privilege to have been appointed as Business Manager at your facility. The history behind ERG is magnificent and one to be proud of.

My experience is extensive in Aged Care and I wish to assure residents, staff, relatives and the community that ERG is one of the best I have been involved with.

Delightful surroundings, single rooms, dedicated staff, great activities program, quality home cooked food daily, and maintained with a glow and shine from entry to exit.

I would encourage community members, friends and family to visit and view this facility—you will be impressed.

Again, thank you
